

# FAST, EFFICIENT ACCESS TO ALL YOUR CLINICAL TRIAL LABORATORY DATA

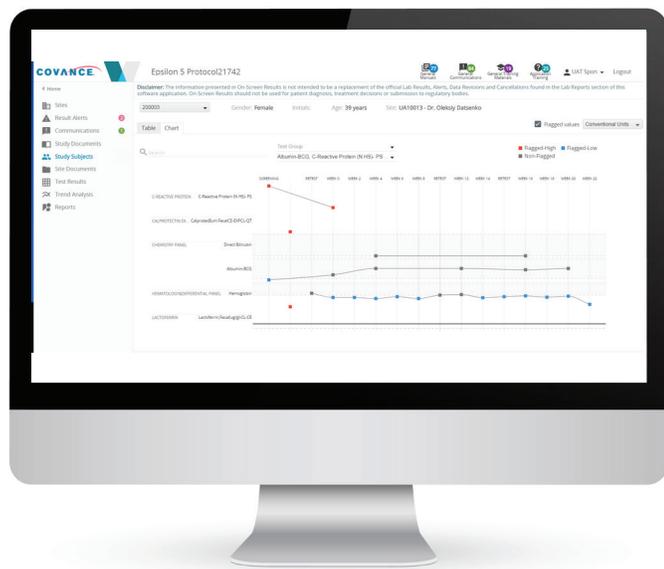

## STREAMLINE YOUR COLLABORATION WITH THE XCELLERATE® SPONSOR PORTAL

The new Xcellerate® Sponsor Portal offers fast, easy, online access to central laboratory data to enable better oversight of your studies.

With its easy-to-navigate dashboard and intuitive user interface, the Xcellerate Sponsor Portal offers convenient, near real-time access to all of your laboratory information, including onscreen results, laboratory reports, alerts, cancellations, data revisions and more.

## This new portal, which replaces eSite Access, enables you to:

► Increase your efficiency with up-to-date, version-controlled Covance Laboratory Manuals, site communications and training materials throughout the life of your study

► Quickly analyze lab data and trends with onscreen results and reports

► Gain comprehensive oversight through the use of activity reports to help monitor compliance of user access and read/unread documents by protocol

► Efficiently manage your lab reports with the ability download and print multiple documents at once
